

Notre Dame College Prep

2022

Dear Alumni,

Once again last November Notre Dame College Prep had the privilege of honoring its Alumni Veterans with a beautiful Mass and dedication of the Notre Dame Alumni Military Tribute Wall. Joining us for the celebration was our Notre Dame Varsity Football Team and a fantastic group of new and old inductees.

Sitting prominently in our library, this tremendous display is available to all students, alumni, family and friends on a daily basis. The design is a magnificent piece of work, a fitting tribute to our Servicemen and Dons. Resting on a six-foot walnut podium sits a proud bronze eagle 3 feet by 3 feet weighing 250 pounds.

As of 10/25/2021 the number of alumni veterans has grown to 611. Right now we have received information on another strong group of Alumni Military Veterans to be added this October and celebrated Sunday November 13th at our Veterans Day Mass. We are proud to be able to honor those Dons that have served and have protected our FREEDOM.

Please visit www.nddons.org/veteranswall to see if anybody that you know may be missing from our list of alumni veterans. With your assistance we can continue to add Dons to the wall. The information needed is name, year of graduation and branch of service. This can be sent to agenovesi@nddons.org or mbficht@nddons.org.

Notre Dame would like to thank all alumni and friends who have made this fantastic endeavor possible with their kind donations. If you would like to have a loved one listed as a special intention please make a donation of any amount to www.nddons.org/annualfund, and indicate in the available field the name of the person you would like honored.

If you have any questions please contact Dir. of Alumni Relations, Mary Beth Ficht at 847-779-8664 or mbficht@nddons.org.

Thank you for your consideration in this effort and those who have served our nation.
