Fr. Smyth with NDCP students

Dear Notre Dame College Prep community,

In this issue of Legacy, you will learn about the tremendous opportunity the Daniel F. and Ada L. Rice Foundation has presented to Notre Dame College Prep. The Rice Foundation is basically saying that anyone who really loves Notre Dame can donate money to secure the \$1 million grant opportunity. Read the details on pages 4-5. Through your generosity, we will make it.

Notre Dame College Prep is really expanding our Planned Giving opportunities. The future of the school is in the hands of the alumni. They know what they received from Notre Dame College Prep and they know the young Dons want the same educational opportunities. One of the ways to protect the future of Notre

Dame in this day and age is through a Planned Gift. For more information, contact Skip Lawson '71 at 847.779.8618 or skip@niddons.org.

Finally, we've added to our staff. The new Director of Annual Support is Amelia Hanrahan who will organize the annual support so that it will be at an all-time high. She is a hard working person and I'm glad to have her on our staff. Jim Churak from the Class of 1995 is the new Director of Alumni Relations. I'm hoping that Jim will tie all the alumni back into Notre Dame and make a connection with them so they can use their time, treasure and talent to keep Notre Dame College Prep alive.

Through Our Lady, Notre Dame,

Fr. John P. Smyth  
President

# Rice Challenge Spurs Capital Campaign's 2nd Phase

by Teresa Connelly

As the Past, Present, Promise Capital Campaign begins its second phase, the Daniel F. and Ada L. Rice Foundation has presented Notre Dame College Prep with a unique challenge: if the school community raises \$2.2 million in two years then the Foundation will donate \$1 million towards construction of the new \$3.2 million Scholar Center. "For every dollar Notre Dame family members contribute to the campaign, it is matched with 50 cents by the Foundation. The impact of the gift is magnified," says James Stangle, Vice President of Institutional Advancement.

"That a high school could attract a million dollar donation in this economy is remarkable. But it will only happen if all of us step up and meet the challenge. Let's fulfill the grant challenge as soon as possible and celebrate our success," says Paula Waters, Chair of the Executive Board.

The Scholar Center is part of the \$11.6 million capital campaign. Situated between the Chapel and the George Holley Science Center, the new, eco-friendly, three-story academic building will accommodate several immediate needs. This state-of-the-art, ADA-compliant and fully accessible structure will contain seven high-tech classrooms. It will provide more space for: the Brother Andre Scholars Program

for students with learning challenges; the Anne and Edward Burke Scholars Program for students with mild and moderate developmental delays; a math lab; a language lab; an expanded science classroom; and two general classrooms.

The new Scholar Center is needed to accommodate Notre Dame's inclusive, personalized environment. With enrollment at its highest level in more than 20 years, enlarging and enhancing the facilities responds to the increased enrollment and provides for the technology necessary for modern teaching methods.

"We have seen enrollment grow in the past few years and the need for more classroom space will soon be critical. In addition, we have committed to enroll young men from a range of academic attainment and capabilities. That inclusive policy means we must expand our academic support services and add technology such as math, language and science labs to ensure we can employ modern teaching methods and serve the needs of our student body," says Waters.

By responding to the Rice Foundation's challenge, donors can make the dream of the new Scholar Center a reality sooner.

"I hope this will encourage those who have not contributed to the campaign to make a donation and those who have already contributed to dig deeper and make a larger commitment. Everyone loves a bargain and this is a chance to multiply your donation dollars," says Waters.

Notre Dame President Rev. John P. Smyth concurs.

"I hope they all jump on the bandwagon, and I hope they all really get involved because it's an opportunity for them to say they really care about the school and the future of the school," says Fr. Smyth.

Alumni, families, and friends of Notre Dame College Prep are encouraged to contribute to this unique opportunity as an endorsement of the school's positive future.

"Since this is the largest charitable foundation gift in the school's history, we are hoping that alumni who at one time questioned the future of the school, see the match as an endorsement of our future viability," says Stangle.

The challenge gift is also seen as support for Notre Dame's commitment to providing a school that educates both the mind and the heart.

"This gift is the largest that the Daniel F. and Ada L. Rice Foundation has ever given to us, but as foundations are giving smaller grants, the Rice Foundation extended themselves because of their belief in us and our mission," Stangle adds.

"We are deeply grateful to the Board of the Rice Foundation for recognizing the value of Notre Dame. We understand there are many worthy places it can apply its funds and the size and scope of the grant is truly gratifying," says Waters.

Along with the Scholar Center, the proposed multi-purpose Fieldhouse is part of the second phase of the capital campaign. The Fieldhouse will contain two basketball courts, two wrestling areas, portable batting cages and an indoor track. The importance of providing the Fieldhouse is magnified by

the worn and cramped conditions of the current facilities. Teams practice in shifts and sometimes practices do not start until after 8 pm. Due to the overflow at the gymnasium, the wrestling and basketball teams sometime travels to nearby Maryville Academy in Des Plaines to practice.

“I don’t mind them waiting around the campus but not waiting for a gym. I think we should have that building so that they can be taught in a reasonable time and finish their activities and if they want to stay on the campus, they may,” says Smyth.

Progress has already been made through the Capital Campaign. During the first phase a number of projects were completed including: a renovated sports stadium with an AstroTurf field, new bleachers and a new track; a Grotto dedicated to the Virgin Mary; four new classrooms including an expansive Art Room; a reconfigured Chapel with room for over 250 worshippers; and a new Media Center in the Little Theater.

“We have re-purposed existing space to serve the needs occasioned by our growing enrollment and our inclusive admissions policy. We have refurbished our athletic fields and our theater and have made the building a more energy-efficient, pleasant place to be. The future projects to be funded by the Campaign will help ensure the school is well positioned to serve students for another 50 years and beyond,” says Waters.

The changes and additions to the physical plant are necessary for Notre Dame College Prep to attract and retain students now and in the future.

“Catholic education is worth fighting

for and worth preserving. Notre Dame must remain competitive in its academic program and facilities to attract families. The community has responded to our efforts thus far by sending more of their sons to us. Bringing the school into the 21st Century will attract more students and help us serve as a light in the community for the values the school represents,” says Waters.

“As future students and their families compare us to other area high schools, our facilities will compare favorably cosmetically and allow our faculty to have access to the best resources and teaching aids possible,” says Stangle.

“The Notre Dame family rallied around the school when it was in danger of closing. We have achieved success beyond our hopes, but ensuring the school can accommodate the growing enrollment and can make the investments in excellence required to remain competitive requires that they support the Campaign,” says Waters.

Fr. Smyth says that it is important for the school’s supporters, especially the alumni, to donate their time, talent and treasure to Notre Dame, because, while he enjoys raising funds and intends on remaining at Notre Dame College Prep for as long as he can, he will not be here forever.

“There’s no question I enjoy my time here, but I’m the oldest person here at Notre Dame. I don’t mind putting my time, energy and effort toward ND but I will not be here for all time. It is the alumni’s responsibility to give to the school that gave them so much in the past. They have to pick up the mantle, pick up the burden for their school and say I want this school to be here in the future so that future Dons can get a fantastic education,” Smyth says.

Stangle and Waters agree.

“Most of Fr. Smyth’s friends have no affiliation to Notre Dame other than Fr. Smyth. It is necessary for others to step up and be identified,” says Stangle.

“Fr. Smyth has worked tirelessly to improve Notre Dame – from its faith and academic programs to its financial stability. But no one person, however dedicated, can do this alone. The alumni, those who have benefitted from the life preparation they received here, should be the first line of support for Notre Dame. If every alumnus donated annually to the best of his ability, we would have no need of campaigns,” adds Waters.

People interested in donating to the Past, Present, Promise Capital Campaign can use the enclosed envelope or send their donation to Notre Dame College Prep at 7655 West Dempster Street, Niles, Illinois 60714. To donate online, visit [www.nddons.org](http://www.nddons.org) and go to the “Giving” page. For more information, contact James Stangle at 847.779.8622 or [jstangle@nddons.org](mailto:jstangle@nddons.org).

“It’s time to finish the work of preparing the school for the next 50 years. Please – give what you can, encourage your friends and associates to hear the Notre Dame story and support our vision of a better future for the young men we serve,” says Waters.

James Stangle  
Vice President of Institutional Advancement

It is hard to believe that Spring is fast approaching and that another group of young men recently sat to take the entrance exam to hopefully be a part of the Class of 2015. Much has happened since we last communicated in November and many more projects are in the pipeline.

We are in the process of reintroducing a comprehensive class representative program as well as an expanded class reunion program. Following on its heels will be a significantly enhanced and expanded alumni executive board as well as a comprehensive reformatting of the school's website which is scheduled to go live in May.

Words cannot describe how excited we are when we were notified by the Rice Foundation of their intentions to provide a \$1 million Challenge Grant for our Past, Present, Promise Capital Campaign. Your participation at any gift level will help us in helping Notre Dame College Prep meet its obligation to receive this match as spelled out by the Rice Foundation's Board of Directors.

In closing, I am excited to be able to welcome two new members to the Notre Dame Office of Institutional Advancement family: James Churak '95 as our new Director of Alumni Relations, and Amelia Hanrahan as our new Director of Annual Support.

As always, I look forward to partnering with you to achieve the many objectives that lie before us that will ultimately assist current and future Dons. Please feel free to contact me at 847.779.8618 or [jstangle@niddons.org](mailto:jstangle@niddons.org)

Yours in Notre Dame,

James Stangle

## Joe Yonto Scholarship by Dick Allegretti '73

To date \$185,000 has been pledged to the Coach Joe Yonto scholarship. The initial contributions have come from alums who played for Coach Yonto here at Notre Dame from 1958 - 1963. The goal is to raise \$250,000 in Coach Yonto's name. Scholarships are based on need and given to those students who need financial assistance to be able to attend Notre Dame College Prep.

For more information on the scholarship please contact me, Dick Allegretti '73, at [dallegretti@niddons.org](mailto:dallegretti@niddons.org) or call 847-779-8643. You can also visit the website at [www.niddons.org/coachyonto](http://www.niddons.org/coachyonto) and watch the Yonto video presentation.

## Planned Giving Program/Heritage Society Embraced by Don Alums

Notre Dame College Prep's Heritage Society membership has grown and many others are putting serious thought into finalizing a willed gift to the high school. The Planned Giving program can include financial planning, estate planning and tax planning techniques that allow donors to make significant gifts with substantial tax and financial rewards. In January an email went to Dons recently celebrating their 70th birthday detailing the opportunity to make a gift to Notre Dame referred to as the Charitable IRA Rollover.

Planned Giving is a set of ways a donor can leave money/assets to Notre Dame College Prep at his or her death; or as a way to invest money so that the donor receives benefits during his or her life and then bequeath the remaining funds to Notre Dame.

Heritage Society Member Frank Corrado of the Class of 1960 explains why making a Planned Gift to Notre Dame College Prep is a decision he was proud to make.

"It was only as a member of the 50th reunion committee that the thought struck me that Notre Dame Prep should be in my will," says Corrado. "So much of my life is connected to ND – my brother Paul attended here; my two sons, Mike and Joe, were students; my son Mike taught and coached here for five years; so many of my lifelong friendships started here. I hope my gift will spark others to reflect on the impact ND has had on their lives and do the same."

Please contact Skip Lawson at skip@nddons.org or call him at 847.779.8618 to discuss how simple and significant a gift can be. If you are a member of our 1961, 1966, 1971 or 1976 Anniversary Reunion Classes we are looking for interested alums who see a planned gift as a very personal way to support Notre Dame. We are also looking for leaders from each class to assist in increasing Planned Gifts from the Reunion Classes.

My Best,

Skip Lawson '71  
Director of Development and Planned Giving

## A Message from Amelia Hanrahan, Director of Annual Support

I am thrilled to share my skills and experience as a new member of the Notre Dame family. I have more than a decade of professional experience in fundraising, events, outreach and advocacy. As the spouse of an alum (Edmund J. Hanrahan III, '94) and a parent in the community I appreciate the opportunity to contribute to the mission of Notre Dame.

The Notre Dame family has so much to be proud of with offerings of excellent academics and winning extracurriculars. We know that these achievements would not be possible without financial support from dedicated alumni, parents and friends.

When you choose to support Notre Dame College Prep you contribute to a proud tradition of Faith, Scholarship and Service. Help us continue this tradition and honor the Dons in your life by making a gift to the Annual Fund this year. Every current family receives at least \$2,000 in benefits not covered by tuition. Your support translates to scholarships, advanced technology, needed building repairs and professional development for faculty. Current enrollment includes 840 future leaders within our community and across the country. Every day I am impressed by the impact our dedicated faculty and staff have on the students. If we already count on you as a donor, volunteer or a fan in the cheering section, THANK YOU. If not, I invite you to find a way to get involved; plan to attend an event, make a gift to support a program you care about, come out to a game, or take a look at our website. Please contact me with questions or comments. With your help I will honor your investment in our current and future Dons.

In Notre Dame,

Amelia Hanrahan  
Director of Annual Support  
ahanrahan@nddons.org  
847-779-8614

Annual Fund

## Dons Give Back During The Holidays

by Teresa Connelly

*National Honor Society Christmas gift collection*

*Blood drive*

During the weeks prior to finals and their Christmas break, the Notre Dame College Prep Dons were busy helping make the holiday season brighter for less fortunate people. Charitable endeavors included donating gifts, food, clothing and blood to others.

On December 9, Notre Dame College Prep and LifeSource hosted a blood drive in the gym. The generosity of the Notre Dame community was once again on display as 65 individuals donated blood. LifeSource estimates that their efforts will save 195 people this season, and the drive came in at 108% over goal.

Through the Adopt-A-Kid program, the National Honor Society collected two gifts each for 165 children. On December 10, five cars packed with gifts were brought to Guerin Prep in River Grove. Then, on December 10, with students from other area high schools, 35 NHS members assisted the Adopt-A-Kid organizers to prepare gifts for “Santa” to distribute. In all, 8,000 gifts were distributed to 30 different community organizations.

The Student Council and Christian Service Office coordinated a food drive for the Chicago Food Depository. Non-perishable food items such as pasta, canned vegetables, peanut butter, grain cereal, rice and sauces were collected. Nearly 600,000 people in the Chicago area rely on the Chicago Food Depository to supplement their meals.

Senior Julio Perez also organized a winter clothing drive for Hines VA Hospital. Gently used winter clothing was collected for veterans at the VA Hospital.

### Bishop Kane Concelebrated Immaculate Conception Mass

The Notre Dame College Prep community welcomed Bishop Francis Kane on December 8, who concelebrated the annual Feast of the Immaculate Conception Mass at the school for young men in Niles. The Mass honors Jesus’ mother, Mary.

# Dons Soar in Academic and Athletic Pursuits by Teresa Connelly

Many of Notre Dame College Prep's academic and athletic teams have had some recent spectacular showings.

Eight Speech Team members qualified eight students for the national tournament in Washington, DC. Two students also advanced to the IHSA Speech Sectionals – senior Rodrigo Arcibar in Dramatic Interpretation and junior Tyler Wynd in Humorous Interpretation.

Notre Dame College Prep's Varsity Wrestling Team won the Regional Championships. The Team advanced 11 individuals to the Individual Sectionals and four made it to State with senior Jim Wallenberg taking 6th overall for 145 pounds. At the end of the regular season, the Varsity Wrestling Team was 29-1 (6-1 in conference).

Seniors Justin Gocal, John Hester, and Mike Tynan took first place among 329 area teams in The Stock Market Game, an educational program of Econ Illinois, a division within Northern Illinois University Outreach.

The ND/Res Band took 1st Place in its class and 2nd Place overall at the Midwest Music Festival. The band also won awards for the Best Brass and Best Percussion.

The Debate Team captured 2nd place overall in the Chicago Catholic Forensic League.

Fifty-eight Notre Dame College Prep students received Youth Leadership Awards from the Archdiocese of Chicago on March 6 at the Twelfth Annual Vicariate II Youth Leadership Awards Dinner. Awards were given for Prayer and Worship, Peer Ministry and Community Service and Social Justice.

374 students received either Summa Cum Laude, Magna Cum Laude or Cum Laude honors in the first semester of the 2010-2011 school year.

The Junior Varsity Pin Dons took 1st place and the Varsity took 2nd place in the Chicago Catholic League Championships and each team took 1st place in the Chicago Catholic League's North Division. The JV Team beat the 2nd place team by over 600 pins.

*24 seniors were named Illinois State Scholars.*

The Varsity Basketball Team, under Head Coach Tom Les '71, was having an outstanding season having won both the Lane and Wheeling Tournaments. They were seeded No. 1 in the Winnetka (New Trier) Sectional Tournament.

*Fr. Smyth and Head Football Coach Mike Hennessey joined (l-r) Connor Thomas, Jeremy Burgos and Tim Whalen as they signed letters of intent to play college football.*

The Swim Team had its first-ever home meet at Maryville Academy and had strong showings throughout the Winter Season.

The Varsity Hockey Team continued to play strong throughout the season and are hoping to defend their White Division Championship this year.

Five seniors signed letters of intent to play sports in college. They include baseball players Adam McClure (Upper Iowa University) and Jack Wietlisbach (Parkland Community College, Urbana-Champaign) and football players Jeremy Burgos (Drake University), Connor Thomas (Minnesota State University) and Tim Whalen (Kansas Benedictine).

For more specific information about these and other highlights, visit "News Headlines" at [www.nddons.org](http://www.nddons.org) under "more news" and hit the archive button.

## Enrollment Remains Steady

by Paul Tokarz '00, Director of Enrollment

Notre Dame College Prep tested a total of 232 future Dons in both the placement exam and makeup placement exam. Since 1998, this number represents the sixth largest group ever to take the placement exam at Notre Dame, and we have averaged 235 test-takers in the last four years. The students represented almost 90 grammar schools throughout the Chicagoland area. Alumni are reminded to support their alma mater by sending their sons to Notre Dame. Go Dons!

If you know a grade school boy who is interested in Notre Dame College Prep, please ask his parents to contact 847.779.8616 or [ptokarz@nddons.org](mailto:ptokarz@nddons.org).

## New Alumni Director

As I begin to write this introduction, I still find that I have to pinch myself that I get to drive to Notre Dame College Prep everyday to go to "work." Please allow me to introduce myself. I am Jim Churak and I am the new Alumni Director at ND. I am a 1995 graduate of Notre Dame and coming back home has been a dream of mine for some time. I have been a teacher in the Archdiocese system for eight years and was a substitute in local public schools prior to that. I loved working with students of all ages, but something was missing. I had this longing in my heart to be back at Notre Dame. In the past couple of months that I have been on the job, I have been fortunate to meet some amazing people whose passion for Notre Dame is unparalleled. I relish the opportunity to meet and greet more alumni and friends of Notre Dame in the years to come.

Now, I cannot write this letter without paying my respect to the person who did this job before me. Coach Augie Genovesi will most definitely be missed (although he will be around as the Assistant Athletic Director). I am excited to continue the rich tradition of many Alumni Directors who have come before me. Whether from Fr. Norbert Hess who was my Freshman Algebra 2 + Trigonometry teacher, to Fr. Stroot, who was known for his singing at holiday parties, to Anthony Kozole '63, who was my coach and mentor, to the energy of Paul Tokarz, who is doing a wonderful job in the Enrollment department, to Augie Genovesi, I know I have some big shoes to fill. I will work tirelessly to make this the best Alumni Department in the area (and eventually the nation)!

If there is anything that I can help you with, please feel free to contact me at anytime. I would love to hear from you. Please contact me at 847-779-8649, [jchurak@niddons.org](mailto:jchurak@niddons.org). Thank you for all that you do for Notre Dame!

In Notre Dame,

Jim Churak '95

## Turkey Bowl 2010

by James Churak '95

Full contact, no holds barred football was a blast when I was 17, in shape, and was playing on a regular basis. So why did I suit up "one last time" on Thanksgiving morning 2010? PEER PRESSURE!!! I can remember how many times in school our teachers, advisers, and family would tell us not to succumb to peer pressure. Well, in this aspect, I failed, in a good way! Never did I see myself strapping on the pads for one last hurrah, especially after having an injury in college that would end my playing days. All I can say is, if you haven't done it, DO IT!!!! From the moment I ran onto the field, I had goose bumps. The memories of walking into Notre Dame Stadium flooded back as I began to stretch out, only to realize I was doing the exact same stretching routine that I have always done before a football game. It all came back - the plays, the game, the trash talking in the huddle, the high fives for great hits, etc. It was great to see some of my old teammates, meet some new ones, work to achieve a common goal, and have fun while doing it. Even if you cannot play anymore, or just want to hang out, you need to come out for this event. Friends, Alumni, coaches, and even parents of some of the players were there to watch us try to relive our glory days. Hanging out with all the Notre Dame Football community only enhanced my day, and I encourage anyone and everyone to come on out for the 2011 Turkey Bowl. Let the peer pressure begin for next year's game. For a list of the Turkey Bowl attendees, visit the Alumni page at [www.niddons.org](http://www.niddons.org).

## Athletic Wall of Fame Ceremony

by Teresa Connelly

On February 19, six alumni were inducted onto the Athletic Wall of Fame. Photos and a story will be available in the next issue of the Legacy. Also, the second team induction took place that day. The athletes inducted included: Richard Tosch '70, Football and Baseball; Anthony Napolitano '93, Football; Matthew Berrafato '76, Hockey; Brad Tokarz '98, Baseball; Kevin Heneghan '81, Wrestling; Mike Jakubowski '00, Baseball, Basketball and the 1959 Notre Dame Baseball Team.

Prior to the induction ceremony near the gymnasium, Mass was held in the Chapel. After the ceremony, there was a presentation in the gymnasium between the Sophomore and Varsity basketball games. Congratulations to our newest Wall of Fame members. Photos and highlights will be available in the next Legacy.

## Alumni Profile: Rick Nickle '95

Rick Nickle '95 is Account Director for Starwood Hotels and Resorts Worldwide. Their brands include, Westin, Sheraton, W, St. Regis, Luxury Collection, Four Points, Aloft, Element, and Le Meridian. Employed at Starwood since graduating high school, Rick is a founding member of Starwood's newest Sales Force - The Starwood Convention Collection. With over 300,000 guestrooms in over 1000 hotels, the company employs over 150,000 employees and leads all competitors in leisure and corporate guest satisfaction while also growing hotels and yearly revenues faster.

Rick attended St. Juliana grammar school in Chicago. He earned a Bachelor of Arts in Philosophy from Northeastern Illinois University. Rick and his wife, Melissa, have three children, Marley (4), Maizie (2), and Max (1).

**What activities / sports did you participate in when you were at ND?** Football, Baseball, Basketball, Track. VP of Student Council.

**How do you think that ND prepared you for your chosen profession?** ND provides the tools to succeed in any profession. In sales, this is one of the most important tools for meetings and/ or events when speaking with clients. ND also drove home the importance of research, planning, preparation and execution. It is also important to "dress for success" haha. In high school, those words do not click. But, it sticks with you! You realize what those words mean - you are selling yourself first and foremost. ND brought out the leader in me and by senior year, I ran for and was victorious in becoming VP of student council. The skills I learned in becoming a leader, I pass on to my employees

**What is your fondest memory of ND?** Kairos. It changed my life overnight. I kept everything from that retreat in one box. I just went through it last week as I was looking for some photographs for my sister's 40th. I go through that box about once a year to remember... I don't know who will read this, so I will leave it at that to not spoil any surprises.

**Is there a particular teacher, coach, or student who inspired you?** To be honest, I was not the best of students. But, that is not because I did not try. Grammar School, High School, College were difficult for me. I had to take reading and comprehension courses in grammar school - I am a bit of a dreamer. ND teachers encouraged me at all times. But, if I had to pick one, it might be Mrs. Maher (I can hear the moans and groans of my fellow classmates). She definitively inspired me to think differently and got me interested in Philosophy. Mrs. Dawidczyk also gave me inspiration to present in unique ways. Mr. Zielinski inspired me to branch out and better equip myself with language. Mr. Jankowski inspired me to keep at it in all that I do, even if I feel like the task is impossible. Coach Kozole taught me to be a better man. Coach Willett inspired me to use humor in all aspects of life.

**What does your role in the hospitality industry mean to you?** After 9/11 when the world stopped traveling, people were not working. 2009 and 2010 were also very rough years as everyone was crunching numbers and the first place to cut back on is travel. It is a large industry with millions of employees. Sales in the hospitality world is more important than you would think of at first glance. We depend on operations to perform brilliantly to give us repeat business and they depend on us to keep them working. We all have to be at the top of our game at all times.

## Alumni, Other Former Minor League, D-1 Baseball Players Share Knowledge

Over 160 aspiring grammar school and high school baseball players filled Notre Dame College Prep's Multimedia Center on December 15 for an informational baseball evening featuring 12 former Division I and Minor League Baseball Players, including five alumni Dons Paul Tokarz '00 (Bradley University), Mike Jakubowski '00 (Bradley University), Matt Steiger '99 (Northern Illinois), Bill Stanton '98 (Valparaiso University) and Brad Tokarz '98 (Valparaiso University).

*Paul Tokarz '00 (standing) introduces the panel and explains the agenda for the evening.*

## Notre Dame College Prep Alumni Association's Lenten Day of Recollection

For Alumni, Fathers of Alumni and  
Fathers of Current Students.

Saturday, March 26, 2011  
8:30 – 12:30 p.m.

Reflections on The Gospels of John  
in the Lenten Season: The Woman at the Well,  
The Man Born Blind, The Raising of Lazarus,  
and our personal Lenten Journey.

Registration @ 8:30a.m. with  
A Light Continental Breakfast.

Join us for this day of Spiritual Renewal.

RSVP to Jim Ernst '67 at 847-989-4631 or  
jimdcn@gmail.com. Walk-ins are welcome.

## Wrestling Reunion

by James Churak '95

If you know anything about Notre Dame Wrestling, one name seems to come to mind, Augie Genovesi. Coach Aug has been at the helm of ND Wrestling since the mid 80's and was here as an assistant since the late 70's. On January 14, Alumni Wrestlers and Alumni in general came out in droves to honor Coach Augie on his 400th victory as the head wrestling coach at Notre Dame College Prep. It was a sight to see as about 50 plus wrestlers took center mat and congratulated our long-time coach.

As for the meet, No. 10 Notre Dame Dons were to square off against No. 7 Marist in the first meet. This was a meet for the ages. Our Dons were narrowly defeated by Marist on that night, but if you were there, you witnessed a new level of wrestling at Notre Dame. Coach Augie and his staff have worked tirelessly to make Notre Dame a powerhouse in Illinois wrestling. The second meet saw Notre Dame destroy St. Patrick High School 53-11. Afterwards, the Alumni gathered at Tommy's on Waukegan to share stories and celebrate the current success of Notre Dame Wrestling. Congratulations again to Coach Augie Genovesi on his 400th win. For a list of the Wrestling Reunion attendees, visit the Alumni page at [www.nddons.org](http://www.nddons.org).

## Advent Day of Recollection

by Jim Ernst '67

On December 11, 2010 eighteen people attended our first Lenten Day of Recollection. Three spiritually enriching presentations were given. Fr. Rich Conyers, CSC spoke about the readings of the Advent Season, Richard Ballantine, Campus Minister spoke about sacramental moments and Deacon Jim Ernst '67 gave a talk about Mary's Journey to the Christ Child. All were given time to reflect on their own journeys through a personal timeline activity and all participated in the Rosary in front of the Grotto. The day was concluded with a Mass in the Chapel. Those in attendance overwhelmingly stated they would like to continue this practice and we need to look at this part of our Alumni experience.

### Retreat Quotes:

*"Thank you for putting Christ back in Christmas"*

*"I thought the day was great! Talks were enlightening and understandable"*

*"I will talk up the next one"*

*"This was a great opportunity to reflect on God, Mary, Advent and our gifts"*

## Alumni Profile: Stephen DeVience '05

Stephen DeVience is a PhD candidate in Chemistry at Harvard University in Cambridge, Massachusetts. His main emphasis of research and study involves MRI research and working on better lung imagery. DeVience works at the Harvard Physics lab which is part of Massachusetts General Hospital. He hopes to have his research and dissertation completed by 2014.

DeVience attended St. Tarcissus grammar school in Chicago. He graduated with a degree in biomedical engineering and chemistry from Duke University in 2009. While at Notre Dame College Prep, DeVience was valedictorian and was one of 40 national finalist for the Intel Science Talent Search Semi-Finalists. He was cited for his work with a home-made spectrophotometer, an instrument that can reveal both the identity and relative concentrations of a mixture's chemical constituents.

**What activities were you involved with when you were at ND?** Worldwide Youth Science and Engineering, the Scholastic Bowl and the Hesburgh Scholars Program.

**What is your fondest memory of ND?** I have many great memories of my time on the scholastic bowl team. Mr. Kozole was fun to have as a coach, and my classmates and I had as much fun driving to matches and between matches as we did during competition."

**Which teachers had the biggest influence on you?** Dr. Mohrdieck and Mr. Bachtta always did a good job with math. Mr. Boylan was also an influence because even though he made us write a lot, once you get to college you'll find out it really helps. Mrs. Pelrine always was very supportive and helped give me support with the Intel project. I felt a lot of support from my classmates always. The scholastic team was very supportive. People shouldn't think they'll be uncool by doing well in a scholastic thing. The teachers were very understanding and accommodating. I felt pretty comfortable here.

**What advice would you give a Notre Dame student for getting the most out of his educational experience here?** You shouldn't be afraid to interact with teachers and talk to them about high school. I'm sure a teacher is interested in what you are interested in. You can find other people like that too. It's good to have spaces for other things besides classes such as labs, and art and music rooms. A lot of learning takes place outside the classroom.

**Why did you choose this field of study?** I got into MRI because of lung cancer. I thought it might be helpful to study. As an undergraduate I worked in bio-medical engineering on probes to detect cancer. We use chemicals in the body and use the MRI to detect magnetic fields made by the chemicals. Using the MRI is one of the best ways to see the imagery. We're working on ways to improve our understanding of how bodies and medicine work. We want to come up with the best possible solution for that person with cancer.

**How should current Dons prepare for a career in science and academics?** High school students should work hard in science and math and also in writing class. They should spend their time learning about the things that really interest them and explore those areas. They can get exposure through hobbies and working summer jobs. During the summer they could work with a scientist for example. One great thing about here that people should take advantage of is the Advanced Placement program. Really take it seriously while you're here. You can save a lot of money by passing out of an AP course and it really helps you to get ahead in college.

**What do you do in your free time?** I like a lot of outdoor stuff like fishing, hiking, the things I did as a kid. I travel with my family and I enjoy exploring the Northeast.

## Alumni/Senior Breakfast

May 13  
from 8 am – 9:30 am

Open to all alumni  
Welcome our soon-to-be  
alumni members!

Notre Dame College  
Prep's cafeteria  
To RSVP, contact  
Jim Churak '95 at  
847.779.8649 or  
jchurak@niddons.org

## Reunion Reminder

for the Classes of  
1961, 1966, 1971, 1976,  
1981, 1986, 1991, 1996,  
2001, 2006.

Your reunions are  
this year! Reunion  
parties are being  
planned now.

Contact Jim Churak  
at 847.779.8649 or  
jchurak@niddons.org for  
more details or to help.

## President's Dinner/Hall of Honor

by Teresa Connelly

Six Notre Dame College Prep alumni and Virginia McCaskey, mother of eight Dons, were honored at the 2010 President's Dinner/Hall of Honor celebration on November 13, 2010 at Misericordia's Jean Marie Ryan Center on Chicago's north side.

Mrs. McCaskey received the Sancta Crux Award for her tireless work on behalf of others. The six alumni saluted as Hall of Honor award recipients are Mel Boldt '60, Tom Walter '65, the late Bruce Gill '69, Tim Hester '71, Pat Cummings '73 and George Rattin '85. They were acknowledged as practitioners of the three pillars of the Notre Dame education: faith, scholarship and service.

Mrs. McCaskey, who is the daughter of Chicago Bears founder and NFL pioneer George Halas, is the Secretary of the Board of Directors of the Chicago Bears. She attends quarterly Board meetings and has the final word on decisions affecting the organization. She is also the mother eleven children including Notre Dame College Prep alumni Michael '61, Timothy '63, Patrick '67, Edward '71, George '74, Richard '76, Brian '78 and Joseph '79. She and her husband Ed were married 60 years at the time of his death. She has 21 grandchildren and 19 great-grandchildren.

With her family, Mrs. McCaskey is involved in numerous charitable and civic organizations, most notably Bears Care, the charitable arm of the Chicago Bears which has donated millions of dollars to cancer research. Mrs. McCaskey and her late husband, Ed, also helped create the Brian Piccolo Fund which has donated over \$2 million to research embryonal cell carcinoma, the cancer that took Brian Piccolo's life. This cancer now has a 95% cure rate. Mrs. McCaskey also personally supports many other charities. She leads by example as shown in her devotion to her religion, her family and her dedication to her personal fitness regimen.

"Thank you very much, Fr. Smyth, and to all of you who are here this evening, especially the Dons. My husband and I had three daughters, who graduated from different high schools, and we were also blessed with eight sons, all of whom, graduated from Notre Dame College Prep and we are very grateful," said Mrs. McCaskey.

"I am here this evening because I believe so strongly in the future of Notre Dame College Prep, and I want to mention especially the Grotto, that was Father Smyth's priority when he came to Notre Dame and also the Burke Program and the wonderful opportunities that are being offered to the students with special needs. I hope all of us will continue to enjoy the privilege of being associated with Notre Dame and with Fr. Smyth," said Mrs. McCaskey, who was joined at the dinner by friends and family including sons Patrick, George and Brian.

The Hall of Honor recipients received their awards in a ceremony for family and friends prior to the President's Dinner. At the President's Dinner, Tom Walter said, "On behalf of the Hall of Honor honorees, we want to thank ND for recognizing us and look forward to a continued bright future for Notre Dame College Prep."

Other speakers included Jim Stangle, Vice President of Institutional Advancement who spoke about the progress made through the Past, Present, Promise Capital Campaign. He also introduced the Rice Foundation Challenge (see pages 4-5). Class of 2002 alumnus Anthony Bontempo spoke about the need for younger alumni to give back to Notre Dame.

"You have given the Dons the opportunity to be great. Our future is promising and future students have the opportunity to spend their high school years at a place that offers everything you could want at a high school and more. But the journey of Notre Dame of tomorrow isn't over, it's really just beginning. The alumni and support of the people in this room have paved the way for new younger generations of Dons' alums to give back and now it's our turn. So we will continue to follow in your footsteps and make the capital campaign as successful as it possibly can be because of the foundation you laid here in front of us tonight. And we look forward to many great accomplishments to come," said Bontempo.

## Meet the 2010 Hall of Honor Inductees

**Mel Boldt '60** graduated from the University of Notre Dame with a BA and BS in Mechanical Engineering. In 1968, he received his law degree from the University of Virginia Law School. Eventually, he purchased Boldt Metals Incorporated in the northwest suburbs of Chicago. By 2000, Boldt had grown the 2-person company to over 500 people with manufacturing facilities in Schaumburg, Berlin and Shanghai. He sold the company in 2002. He has won many awards over the years including the Society of Marketing Executive's Marketer of the Year in 1999 and won the Ernst and Young Manufacturing Entrepreneur of the Year Award in 2002. He and his wife Roseanne Sturm are parents to seven children and 20 grandchildren.

**Tom Walter '65** is the CEO of Chicago-area Tasty Catering, has started 27 companies and acquired three. He remains the principal in seven of those companies, five of which he co-founded with his staff. Tasty Catering was named the #1 Best Places to Work in Illinois and the Wall Street Journal and Winning Workplaces' Top 35 Workplaces in 2008 and 2009. Inc. Magazine named Tasty Catering one of the top 20 Workplaces in 2010. It's also been named the Best Caterer in Illinois and the National Caterer of the Year by Catering Magazine. In 2010, Walters was inducted in the Chicago Area Entrepreneur Hall of Fame. He serves on the Marketing Advisory Council at DePaul University and the board of the Institute of Entrepreneurial Studies at the University of Illinois-Chicago and frequently lectures nationally on Leadership, Company Culture and Entrepreneurship.

Susan Gill, the widow of **Bruce Gill '69**, received the Hall of Honor award on his behalf. Bruce Gill died in 2008 at the age of 56 due to complications from a brain aneurism. He received a degree in journalism in 1973 from Northern Illinois University. After working for ten years as a reporter in Decatur, Illinois, Gill started working at the Milwaukee Sentinel in 1980 and eventually became City Editor. He later became senior editor of suburban news for the Milwaukee Journal Sentinel, which had merged in 1995. Gill was active in several non-profit organizations including the Wisconsin Literacy Guild and the United Way of Waukesha County, where he was named executive volunteer of the year. He was a professor at Marquette University School of Journalism from 1983 through 2000 and was inducted into Northern Illinois University's alumni hall of fame in 2005. He and Susan have two daughters, Jennifer and Amy, and four grandchildren.

**Tim Hester '71** was a juggler, and lettered in both Cross Country and track as team manager. He enrolled in the theater department at Western Illinois University and later acted in community theater in and around Chicago. His two children are Megan and Tim Jr. who died tragically in 2000. In 2001, Hester founded the Hester Memorial Foundation to provide scholarships for continuing education for at-risk teens in Palm Beach County, Florida. Since its inception, the foundation has provided over \$110,000 for these scholarships. Hester is president and owner of Purr-Ferred Petfood Inc. and Hester Brokers, Inc. in Boca Raton, Florida. He resides in Lake Worth, Florida with his partner Mary Cornelius.

**Pat Cummings '73** attended North Park College and DePaul University where he earned a degree in Business Administration. A member of Immaculate Conception Parish in Chicago, Cummings is the Vice President of Cummings Sales, a manufacturers' representative company. He is an active member of Notre Dame College Prep's Alumni Association and the school's Executive Board. He's also run the football team weekly dinners since 2001. He and his wife Mary are parents to four Notre Dame graduates (Brian '03, James '05, Kevin '06 and P.J. '08) and their son Kyle will enter ND as a freshman in the fall of 2012.

**George Rattin '85** played football and wrestled at Notre Dame College Prep. As a senior he qualified for the National Junior Olympics Team in Greco-Roman wrestling. After graduating from the University of Illinois at Chicago with a degree in Teaching of English, Rattin worked from 1991 to 2001 at ND as a teacher, coach, moderator and administrator. As Vice President of Institutional Advancement, Rattin helped successfully complete the first Capital Campaign "Our Strategic Moment." He also received a Masters in Education from Loyola University. Later he worked for seven years in Advancement at Carmel Catholic High School in Mundelein. He is currently President of St. Martin de Porres High School in Waukegan, Illinois. He serves on the Advisory Committee at the College of Lake County-Lakeshore campus and the Lake County Community Foundation

Nonprofit task force. He is also a Eucharistic Minister and Teen Program leader at St. Gilbert Parish in Grayslake. Rattin is married to Suzanne and they have three children: Peter, Juliana and Angela. His brothers are ND alumni Mark '83 and John '88 and his brother-in-law is Jim Flynn '88.

"This recognition by ND of our accomplishments is just the beginning of our new relationship with ND," said Walter. "The Hall of Honor members are the brand image of ND and because we are the brand image, we need to entangle more deeply with Notre Dame. If we have the privilege of being recognized, we then also have the responsibility to give back, be it time, student mentoring, advising, donations and so forth."

Since 2007, and with the inclusion of the 2010 inductees, there are now 66 Hall of Honor recipients. A complete list of the inductees can be found in the Alumni section of the school's website at [www.nddons.org](http://www.nddons.org). 15

## Reunion Weekend 2010

Reunions for the Classes of 1960, 1980, 1990, 2000, 2005 were held over Homecoming Weekend on September 17 and 18. Alumni gathered to watch the Varsity Football Dons defeat Benet Academy's team 35-31. Mass was held on September 18 in the Chapel. The Class of 1960 celebrated their 50th Reunion and held a dinner in the Library on September 18. To view more of the Reunion photos, visit [www.ndds.org](http://www.ndds.org) and click on the photo gallery.

**Ryan Abens '10** ND was a great four years of my life and I would be more than happy to stay involved in the school and to help it continue to serve more current and future Dons. I am currently a freshman in the College of Business at Northern Illinois University.

**Matt Bascom '09** reports that he is currently a sophomore studying Environmental Science and Business at Illinois Wesleyan University in Bloomington, Illinois. He is involved with DRL or Death Resurrection Life, a student-led campus ministry there. During his upcoming spring break, Matt will join other DRL members for a ministry trip to Belize, Central America.

**Paul Basbagill '60** I went to the University of Notre Dame and graduated in 1964 with a degree in Business Administration. I was in the Navy Reserves, based out of NAS Glenview, and took over the family travel agency business in 1965, with one Chicago location, and added a second in Libertyville in 1988. I currently run the business out of my home based office. Most of my time over the past 10 years has been spent officiating sports, i.e. high school basketball, volleyball, softball, and baseball, with an occasional stop at Notre Dame College Prep. I met my wife, Pat, in 1973, an Alverno (Milwaukee) alum. Our daughter graduated from Regina '94, and Notre Dame '98, while our son went to Loyola '96, and Harvard '00. Our kids get their academic credentials from their mother, who was her high school valedictorian at Pius XI - Milwaukee, one of the largest Catholic high schools in the country. Our 36th wedding anniversary is coming up this year. We have lived in Lincolnshire, Illinois for the past 33 years.

**Brian Choi '04** I am currently part of the Evolve Fight Team in Asia. The Evolve Fight Team is Asia's most decorated professional fight team with World Champions in Muay Thai, Brazilian Jiu-Jitsu, Boxing, and No Gi Grappling. We all train at Evolve Mixed Martial Arts (<http://www.evolve-mma.com>), the largest chain of MMA academies in Asia. With over 500 years of experience, the

Evolve Instructor Team is the largest in Asia. Brian Choi can be reached at Evolve Mixed Martial Arts, 26 China Street, #01-01, Singapore 049568. 65.6438.5673(work) or 65.8448.1215 (mobile)

Members of the Wallenberg family gathered with Wrestling Coach Augie Genovesi at the recent Alumni Wrestling Reunion. Pictured are: (l-r) **Kenny Wallenberg '84**, **Paul Wallenberg '04**, **Wrestling Coach Augie Genovesi**, **Jimmy Wallenberg '11 (son of Kenny)**, and **Mike Wallenberg '99**. "For 31 years, I have coached a Wallenberg starting in 1980 with Ken," said Genovesi.

**Joe Frake '08** has spent the past five or six months studying in Argentina. He has a blog. Here's the link <http://jfrake.wordpress.com/> For the first time in Illinois State Wrestling History a father and son won Regional Championships at two different high schools in the same year. **Anthony Genovesi '97**, who is the Head Coach at Niles West in Skokie, Illinois and his father, **Augie Genovesi**, who is Head Wrestling Coach at Notre Dame College Prep, won their Regional Tournaments this season.

**Dave Holdener '69** is President of Nicolet Forest Bottling Company Inc. and Water Concepts Inc. He can be reached at Office: 847-382-2950 or Cell: 608-206-2877 or [dholdener@nicoletwater.com](mailto:dholdener@nicoletwater.com) or at [www.nicoletwater.com](http://www.nicoletwater.com). He and his wife Trudy own the Inn at Wawanesee Point, a luxurious bed and breakfast secluded atop the Baraboo Bluffs in Baraboo, Wisconsin.

**Ted Kretschmer, '58** I was diagnosed with pancreatic cancer in mid-November 2010 while my wife Lynn and I were

Ted Kretschmer, '58

visiting with our son and family in Turkey. After a quick return to the USA I was operated on at UCLA Medical Center and am receiving chemotherapy with the goal to control the cancer growth.

I am feeling well and continue to be very active including resuming my consulting to the Navy on undersea surveillance systems. I ask for your continued prayers for myself and family.

### **Phil Loarie '70**

The one thing that changed my life and gave me direction while attending what was then known as Notre Dame High School for Boys from 1966 to 1970 was the mandatory "film study" program for seniors. Through the efforts of then English teacher, Mr. Fury, and others we were introduced to the grammar and syntax of cinema. The experience I had at Notre Dame opened my future in the arts. After leaving ND I went on to get a bachelors from Southern Illinois University in cinematography and music composition, and then on to Mills College in Oakland, California for a MFA in electronic music and recording media. Unfortunately I never went pro. My day job since graduate school has always been in technical support. Don't get me wrong, my career as a technician and now systems administrator for one of the best engineering schools in the world, the University of California, Berkeley Campus has prepared me even more as a composer and motion picture artist. I have since learned many new skills that have helped me understand the current mediums of digital video and electronic music. I am in the process of getting my vision produced albeit on my own and via the internet and on my own time.

**Jason Malartsik '95** has accepted the position of branch manager for the Sarasota branch. He began his career with Paychex in July 2006 as a member of the HRS Sales team in Chicago. In 2007, Jason transitioned into the role of branch manager-in-training for Region 5 where he has been a valuable member of

the management team both in Chicago and throughout the region. Jason has been successful in a myriad of roles within Advantage, CORE, and MMS over the last three years.

**Bob Minor '66**

I am an inclusion Math teacher which means I assist students with special learning needs in their mainstream Math classes. I have been doing that for 5 years at Vanguard. Previously I taught Math for 3 years at the juvenile detention center here in Ocala. I was able to obtain my Math teaching certification in large part because of my strong Math background from NDHS. My only Math class in college was College Algebra. We moved to Ocala, Florida in 2002 to be near my stepdaughter and her children.

**Tom Nicholas '81** reports that he is married to Erin and they live in Palatine with their five children: Mary, Michael, Theresa, Patty and Sean. "I am an account executive with American Solutions For Business and I provide marketing related products and services to business. My daughter Mary is a freshman at Illinois Wesleyan, Michael a freshman at Palatine High School. We support our parish and school, St. Thomas of Villanova, where are middle daughters, Theresa and Patty attend. My youngest son, Sean, is a second grader with the special needs program at Sanborn middle school in Palatine. My wife, Erin is an inside sales representative with Labor Solutions. Our lives are fairly busy, but we try to find time to support our kids and community."

**Ark Rusak '96** lives in Norridge with his wife Nicole and their children Vivian and Will. He is an insurance consultant with Farmer's Insurance. His agency is Arkadiusz J. Rusak Insurance Agency at 945 W. Huron Chicago, IL 60622. Bus: 312-492-6588 Fax: 312-492-6599 Cell: 773-590-3323. His brother **Rob Rusak '99** recently joined as Vice President of the agency. His office is in the River West area. Check them out on Facebook at [www.facebook.com/ArkRusakAgency](http://www.facebook.com/ArkRusakAgency)

**Jerry Ryndak '65** was ordained a Deacon on May 22, 2010 for the Dioceses of Rockford. He lives in Hampshire, Illinois and can be reached at [jerrylinda248@sbcglobal.net](mailto:jerrylinda248@sbcglobal.net)

**Ryan Walsh '96** welcomed a new child into the family!

**Justin Wrzesinski '06**  
Since I left Notre Dame High School, I pursued a music education degree at St. Norbert College in DePere, WI

with an emphasis in instrumental and general music. Throughout my college years, I was very involved in the music program as well as at the parish on campus. In May of 2010, I graduated from St. Norbert College. My love for music has led me on many adventures through college and beyond. I currently play piano/keyboards in three bands and have had the opportunity to perform in venues/events such as: the Taste of Chicago, the National Finals Rodeo (NFR) in Las Vegas, the Blue Chip Casino in Michigan City, IN, and the Harley Davidson Museum in Milwaukee. I also currently study jazz piano with Frank Caruso '66. This past August, I began teaching music at St. Eugene Elementary School in Chicago. I am also involved in the music ministry at St. Eugene Parish. I hope to keep music alive in my life through teaching and performing.

We will not sell or disseminate your email address with anyone else. Thank you.

On February 10, over 300 people attended the 5th Annual Athletic Club Fashion Show "Mardi Gras Magic" at Beau Jolie in Schiller Park, Illinois. Although final totals were not yet available, the evening was a great success with fun had by all. For more information about sponsors and fashion show volunteers and donors, please visit the Athletic Club's page on the website at [www.nddons.org](http://www.nddons.org)."

## Annual Support from Individuals

We gratefully acknowledge all those who have made gifts to Notre Dame College Prep between **July 1, 2009 and June 30, 2010**. Our supporters include alumni, parents, faculty, staff and friends. These individuals donated to various programs throughout the year and together deliver the annual support the school needs to thrive. The donors are listed by giving category and we thank them for honoring the spirit of Notre Dame.
